● WITH London

Making your way in the world today takes everything you've got, taking a break from all your worries... Forget Cheers, we live in the alienated age now and a beer and a barman just don't cut it. If you want sympathy then pick up a brochure, for WITH is here to save the day. An existential corporation

with "group hug" as its middle name, WITH offers a range of Life Enhancement Solutions for all your needs. Ever heard of GK Chesterton's

Club Of Queer Trades? Well, this is the modern version. Packages are tightly contracted to your own agent who is prepared to undergo any number of public humiliations on your behalf so you can have some delusional fun.
